

Innophos CEO Kim Ann Mink Recognized Again by CEO Connection as One of the Top 25 Most Influential Women of the Mid-Market

August 6, 2018

Award Recognizes Women Who Influence Change, Innovation and Standards of Excellence in Mid-Market Companies

CRANBURY, N.J.--(BUSINESS WIRE)--Aug. 6, 2018-- [Innophos Holdings, Inc.](#) (Nasdaq: IPHS), today announced that Kim Ann Mink, Ph.D., the Company's Chairman, President and Chief Executive Officer, has been recognized for the second year in a row as one of the Top 25 Most Influential Women of the Mid-Market by CEO Connection®. This list recognizes the top 25 women in the U.S. based on their ability to influence change, innovation, and standards for excellence in companies with annual sales between \$100 million and \$3 billion. It honors mid-market CEOs who embody the highest standards of leadership in both business and society.

"I am truly honored to receive this award for the second year," said Dr. Mink. "And I am proud to be among this magnificent and accomplished group of women leaders. As women's presence in leadership positions increase, I hope it will continue to inspire young women professionals, influence their ambitions and narrow the gender gap that still exists. Thank you again to CEO Connection for this recognition."

The 2018 honoree list includes dedicated philanthropists and community leaders. Beyond their success in the Boardroom, each of these women have a story to tell. To view the bios of all the winners, visit <https://www.ceoconnection.com/2018-most-influential-women-of-the-mid-market/>.
