SupplySide West is the largest gathering of health & nutrition industry professionals focused on dietary supplement, beverage, functional food, personal care, and sports nutrition innovation.

"We are thrilled to showcase our innovative Aminogen® Advanced protease blend in a unique drink mix that targets sports nutrition and active lifestyles," said Kim Ann Mink, Ph.D., Chairman, President and CEO of Innophos, who will be in attendance at this year's show. "Using ingredients, that enhance protein absorption, we formulated a product that delivers on our brand promise to create science-based solutions that improve quality of life and respond to growing consumer demands."

Stop by booth #2758 to be one of the first to try it and learn more about how Innophos creates essential ingredients to improve quality of life.

Dr. Mink will also be available for press opportunities during the expo. To schedule an interview, please reach out to the media contact listed below.
