## **Innophos Recognized for Excellence in Board Diversity**

CRANBURY, N.J., Sept. 19, 2017 /PRNewswire/ -- [Innophos Holdings, Inc.](#) (Nasdaq: IPHS), a leading international producer of performance-critical and nutritional specialty ingredients and custom-formulated solutions, today announced that the Company has been selected to receive the 2017 Corporate Board Gender Diversity Award by the Executive Women of New Jersey (EWNJ), a senior-level executive women's organization committed to increasing the presence of women serving on corporate boards and in the top leadership of New Jersey companies. Innophos is one of 22 publicly held companies in New Jersey that will be recognized for achieving an impactful level of gender inclusion by appointing three or more women to their Board of Directors.

"We are an organization that supports women in business, strives for gender equality in leadership roles, and believes that diversity drives success," said Kim Ann Mink, Ph.D., Chairman, President and CEO of Innophos. "I have been committed to advocating for gender equality throughout my career. As a female CEO in a male-dominated field, and as Chairman of the Board to Innophos, this award has special significance to me, personally and professionally. It is also an important recognition for our directors, our employees and our shareholders. We are honored to be recognized by the EWNJ."

Kim Ann Mink will accept the award on behalf of Innophos at an EWNJ Awards Ceremony on October 30<sup>th</sup>.

### **About Innophos**

Innophos is a leading international producer of specialty ingredient solutions that deliver far-reaching, versatile benefits for the food, health, nutrition and industrial markets.
